**SPOTLIGHT ON A RESIDENT:
DORIS COLVIN**

Born in 1930 in Hackensack, New Jersey, Doris is the oldest of two sisters. She and her sister Marjorie were just two years and two days apart — and both went on to become nurses! Caring for others has truly been a lifelong calling for Doris.

Doris dedicated an incredible 42 years to nursing. She worked in hospitals and a variety of healthcare settings, but especially enjoyed her time working at the blood bank with the Red Cross. Her compassion and commitment touched countless lives throughout her career.

Family has always been at the center of Doris's life. She was married to John Meintzinger for 42 years, and together they raised five children: Paul, Tom, Daniel, Phillip, and Judy. Later in life, Doris found love again and married Gene Colvin, whom she met in a hot tub at a retirement village — proof that love can find you anywhere! She enjoys swimming and would swim daily. They shared many happy years together. Doris is also a proud grandmother to five grandchildren.

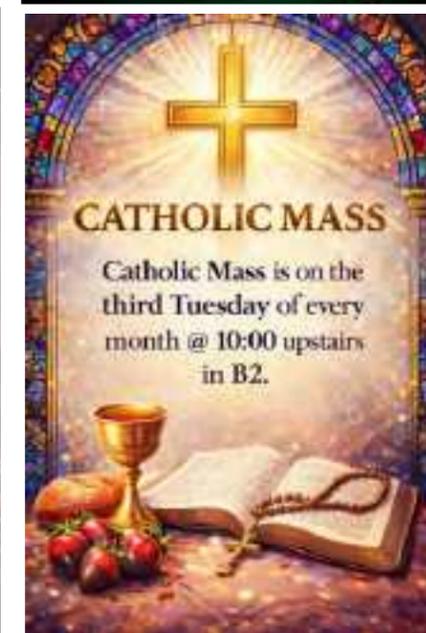

Growing up with a father who worked for the railroad, Doris spent much of her childhood traveling. Florida became a favorite destination, and she eventually made it her home. She has enjoyed vacations to Canada, Mexico, and California, and she and Gene especially loved traveling the East Coast together.

Doris has many hobbies and talents. She enjoys doing crossword puzzles and sewing. She lovingly made clothes for her children, including gowns, bedspreads, and much more. Even today, she still enjoys hemming her own pants! She also enjoys going out to eat.

Doris has been a valued member of the Oak Manor family for 14 years. She enjoys having her own space and being close to her daughter.
