## Don Reynolds

Don was born on February 22, 1924, in Berlin, New Hampshire. In 2014, he made the move to Florida and settled right here in Largo. He comes from a close-knit family, with his father Cyrus and mother Eva, and a younger brother, Robert (Bob), who is about a year and a half younger than him.

Don was happily married to his wife Lorraine for 76 wonderful years. Together, they built a beautiful family, raising one son and two daughters. Their family has continued to grow over the years, and Don is now a proud grandfather to eight grandchildren—six girls and two boys. Now at 102 years old, Don continues to inspire those around him with his life story and experiences.

At just 18 years old, Don was drafted into the Army, where he served his country with pride. After his time in the military, he went on to work in retail for over 25 years.

In his free time, Don enjoyed playing sports and working on puzzles. He's also a big sports fan and loves cheering on his favorite teams, including the Boston Celtics, Boston Red Sox and the Tampa Bay Rays. Don is also a dog lover at heart!

Although Don has only recently joined us at Oak Manor, he already says he loves everything about it—the food and the people, especially how friendly everyone is. You can often find him participating in trivia and social activities, staying active and engaged.

*We are so happy to have Don as part of our Oak Manor family!*

# Mother's Day

## FUN FACTS

**MOTHER'S DAY** is celebrated on different dates around the world, but in the U.S., it's always the **SECOND SUNDAY** in May.

The ancient Greeks and Romans held festivals in honor of mother goddesses like Rhea and Cybele.

**Anna Jarvis** founded Mother's Day in the U.S. in 1908 to honor her own mother.

Mother's Day is one of the most popular holidays in the world, celebrated in **over 100 countries!**

In the U.S., people spend billions of dollars on Mother's Day each year on gifts, flowers, cards, and meals!

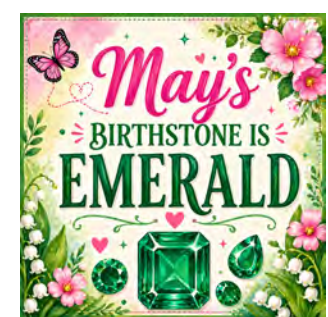

Carnations are the traditional flower of Mother's Day. Pink carnations represent gratitude, while white symbolize pure love.

Many families celebrate by treating Mom to breakfast in bed or her favorite meal!

At the heart of it all, Mother's Day is about celebrating the love, strength, and kindness of moms everywhere!

Let's celebrate the amazing *mom*s in our lives!
